What do the symbols on our candles mean?

There are symbols on all our candles to indicate what you should take into account to burn candles safely. This way you can optimally enjoy our candles.

Never leave a burning candle unattended.

Keep away from things that can catch fire.

Keep away from children and pets.

Use a heat resistant candleholder.

Keep candles at least x cm apart.

Do not burn in a draught.

Do not place near a heat source.

Place candle upright.

Trim wick to x cm.

Snuff out the flame. Do not blow it out.

Keep wax pool clear of matches and debris.

Do not move a burning candle.

Never use liquid to extinguish.

Trim edge if higher than x cm.

Do not touch, may be hot.

Extinguish the candle at least 1 cm from the edge of the candleholder.

Blow out the candle if it is only 1 centimeter away from the bottom. The glass can break due to heat development.

Place the candle (also a filled glass) on a non-flammable coaster.

Burning hours of the candle.

Avoid direct inhalation of any smoke.

General warning sign.

Do not burn in a warming unit.

Remove packaging before use.

Ventilate the room after use.

Burn candles only in a holder made of non-combustible material.

Use in a suitable bowl filled with water.
